All Sterling Sinks come with a 15 year warranty against manufacturing defects from date of purchase. Sterling Sinks' liability is limited to replacement of the product and is not responsible for any incidental costs.

STERLING
classic sink collection

All Sterling Sinks are manufactured from genuine and hygienic "304" (18/8) grade stainless steel in 0.8mm gauge. They are compact in size and designed to provide maximum benchtop work space, without compromising on the bowl size and depth. Sterling Sinks are not only sleek, attractive and timeless in design but also strong and durable in construction.

NOTE: Sterling Sinks reserves the right to change specifications and dimensions without notice. Please check all dimensions of the product prior to installation.
